School Bus Travel

It is expected that all children who travel on a school bus do so in a safe manner. The school works closely with Tasmanian Redline Coaches and the bus drivers to ensure that all children know their responsibilities.

The code of conduct (see back page) was established by the Tasmanian School Bus Contractors Association and DIER. Please take time to read this and support us by reinforcing the code with your children.

PARENTS

Parents are responsible for making their children aware of the **Code of Behaviour** and the need to adhere to it. It is also important they encourage their children to report any concerns about their bus.

Parents are asked to park on the same side of the road as the bus stop to prevent children from having to cross roads. Parents have primary duty of care when students are walking to the bus stop, at the bus stop and after departing the bus and making their way home.

Parent Concerns

- ◆ If parents have concerns about behaviour issues on the school bus they should contact Redline on 1300 360 000.
- ◆ You may also advise us of your concerns, however we do not have authority to deal with inappropriate behaviour on the school buses as they operate under contract with DoE.
- ◆ **Parents are not to reprimand other students either on a bus or at bus stops.**

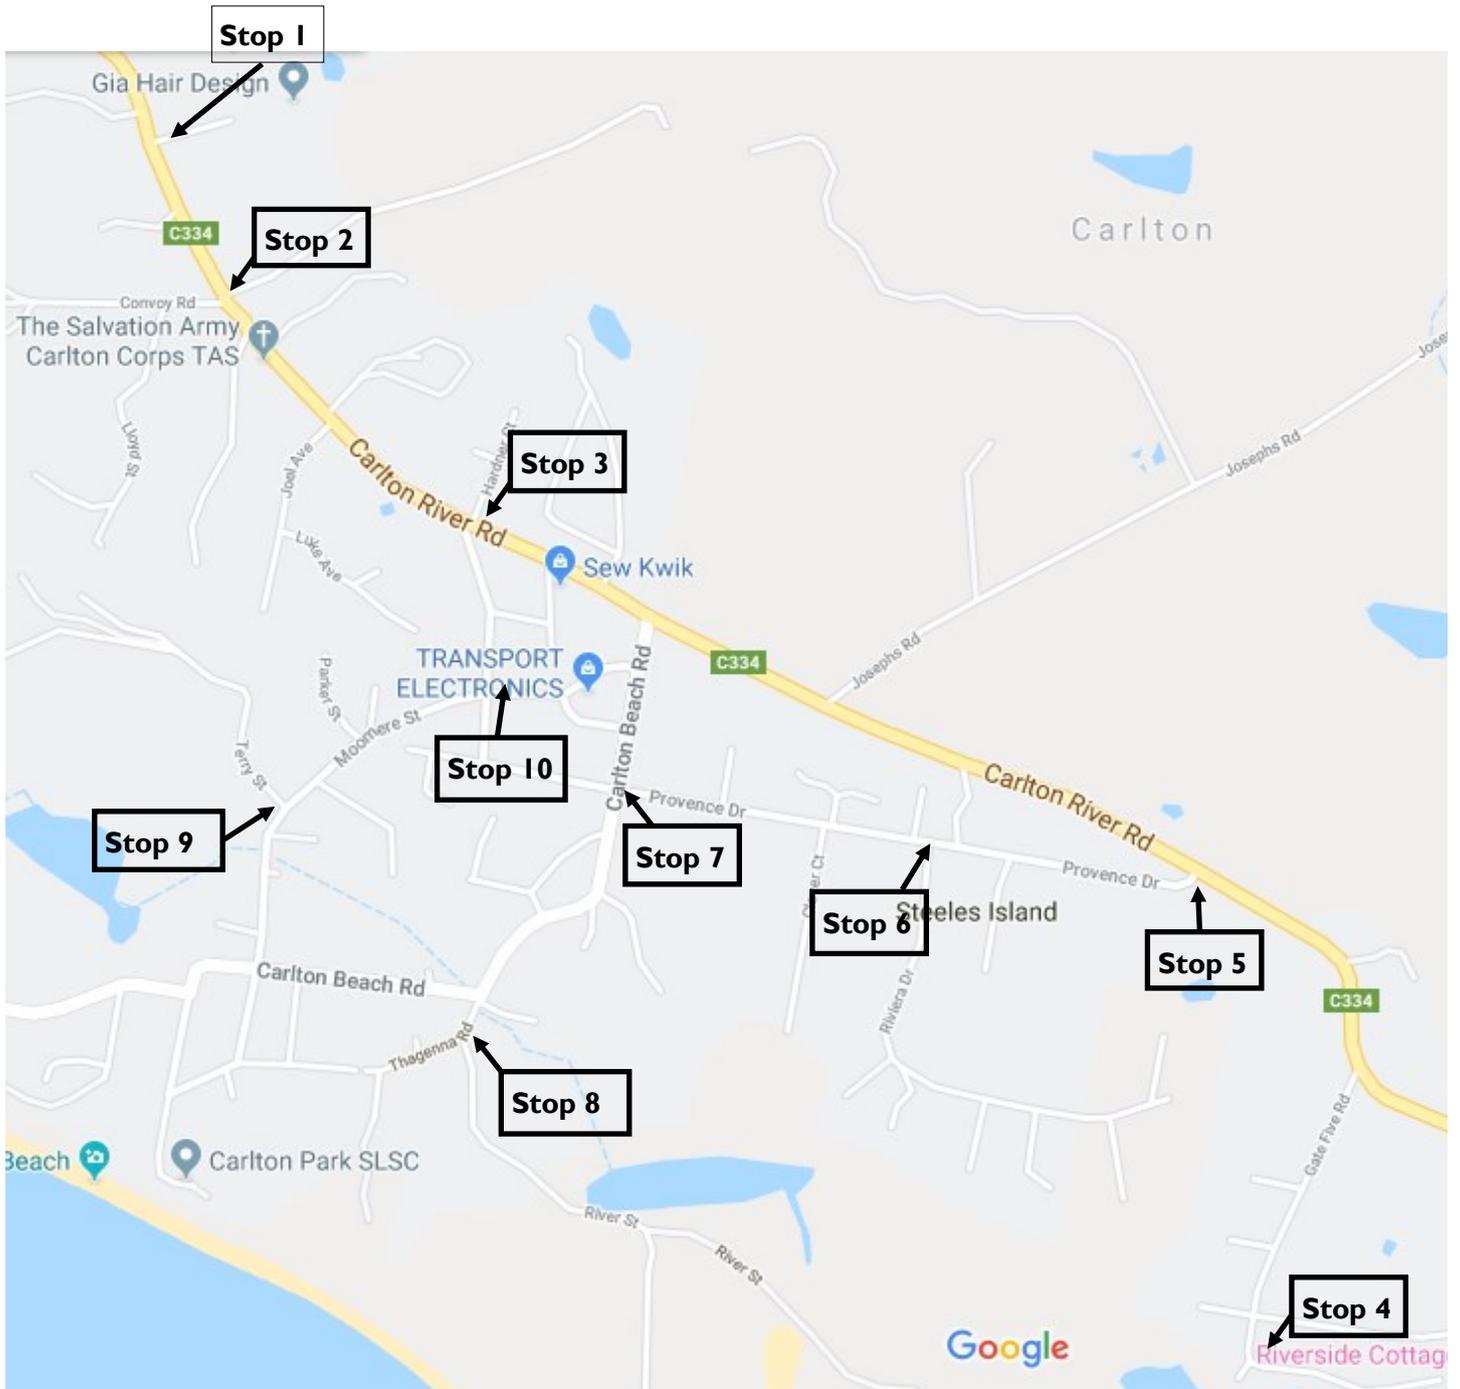

Severe or continued breaches of the code may result in the child being suspended from the service for a period of time. If this occurs Redline will advise the school and we will ring you. Redline will issue a letter of suspension. You will need to make travel arrangements for your child.

We look forward to your support in ensuring bus travel is a safe and pleasant experience.
Thank you
