

Allergy Aware School

Tasman District School is an allergy aware school.

We have students across the school that have either severe allergies to the following, or are coeliac:

dairy, eggs, all nuts, corn, sesame and dog saliva.

Please show awareness by:

- ✓ Not sharing food
- ✓ Washing hands after snack and meal times and touching animals
- ✓ Ask questions if you are unsure
- ✓ Be aware of what is in food by reading ingredient labels

Thank you for your support in helping us to maintain a safe environment for our students with food allergies.

If you have any questions, please speak to a member of staff.

How to help keep SCHOOLMATES who have FOOD ALLERGIES safe

-  **1** Don't share your food with friends who have food allergies. 
-  **2** Don't forget to wash your hands after eating. 
-  **3** Know what your friends are allergic to. 
-  **4** If a schoolmate who has allergies becomes sick, get help straight away. (Even if they don't want you to.) 

For more information about Food Allergies contact: 1300 726 000 or visit allergyfacts.org.au
